MISSION AND HISTORY- The St. Francis DeSales High School Stallion Summer League (SSL) was started over 20 years ago by head coach and now principal, Dan Garrick with the intention of giving boys in central Ohio an opportunity to develop their basketball skills in an organized game setting. Although the games will be competitive and records will be kept, the absolute top priorities are for the boys to have fun, learn and improve.

JERSEYS - Perfect sizes are not guaranteed as kids are always growing. We will do our best.

TEAMS

Divided with the Mission in mind. **We will not be able to accommodate team requests.** Everyone in a division is playing at the same time, so carpooling should not be a factor. Several factors go into teams: age, experience, position, size, talent, and availability. We DO OUR VERY BEST to make evenly competitive teams, BUT these teams are only fair if all the players show up for both teams.

PLAYING TIME

Players are guaranteed the equivalent of 2 full quarters of playing time. This may vary if a team has less than 10 players. Any team that suits up with 6 or more players should never have a player play the entire game.

COACHES

Our coaches will be current high school players and high school coaches. No parents will be coaching.

CONDUCT OF PLAYERS AND FANS

Please remember our purpose and respect our league and the people who make it possible.

PLAYING UP

We are open to kids playing up if it is in their best interest and the interests of the league. We will do our best to accommodate playing up requests, but we are not always able to do so.
